Family Owned and Operated - "Our family Cares about Your Family"

June 24, 2020

Dear Parents,

We realize these are unprecedented times therefore we are following all CDC guidelines for sanitizing and disinfecting our facilities. Some facilities may be opening later than normal please check with your current provider. Please be aware that we have always had an open-door policy however, due to the current regulations we can no longer do this. All parents/adults must remain at the front area of the facility.

We are cleaning/disinfecting/sanitizing at regular intervals per CDC guidelines. This includes our buses.

We are taking children's temperatures as they enter the building, if they have one, they will be asked to leave the building for 72 hours.

Please do not enter if you have a temperature or do not feel well.

Everyone dropping off and picking up children *MUST* wear a mask or you may not enter the building.

Only one adult at a time may enter the building to drop off or pick up.

Please wait in line if there is someone else ahead of you.

We thank you for your continued support and cooperation.

Parent Information Handbook

PURPOSE OF OUR PROGRAM

The purpose of our program is to provide supervised care before and after school, while offering a variety of well-planned activities to meet the needs of each child. We strive to provide an environment where children can have a safe, caring atmosphere.

AGES ACCEPTED

We accept children ages five to thirteen. It is our policy to evaluate each child individually for his/her specific needs at the time of enrollment. Decisions related to the enrollment, placement, or dismissal of a child with a disability or chronic condition will be in compliance with the Americans With Disabilities Act.

HOURS OF OPERATION

Imagination in Education will operate the extended care program from 6:00am to 6:00pm (**see individual programs for exact hours**) Monday through Friday. During school breaks or snow days when regular classes are not in session, parents will be notified where care will be provided. We will be closed for the six major holidays every year.

INCLEMENT AND EXCESSIVELY HOT WEATHER

Weather in Colorado can change rapidly, so we recommend that the children be prepared for weather changes. A jacket is needed almost daily. The children have access to a shaded, sheltered or inside building area at all times to guard against the hazards of Colorado weather. It is the responsibility of the parents/guardian to ensure that their child is dressed appropriately.

RULES OF ENROLLMENT

Parents must visit the program with their child before enrollment and are invited to visit often and meet with the directors and staff.

Each new parent must complete an enrollment form and pay the required registration fee, which is non-refundable each session.

We must have a current immunization record and health status form upon enrollment.

STAFF TO CHILD RATIO

The Colorado State Department of Social Services requires a staff/child ratio of at least 1:15; however Imagination in Education strives to keep our ratio at least 1:12.

PROCEDURES FOR IDENTIFYING WHERE CHILDREN ARE AT ALL TIMES

Each Imagination in Education program has a designated place for the children to sign in each day. Depending on location, the children will then remain in the main program area, go to the gym or outside, or go to a classroom or other activity.

If a child is expected and does not check in, the director will check with the front office staff to make sure the child was in school for the day, followed by an active search for the child, then call the child's parents and emergency contacts to find out where the child is. If the child is not accounted for the director will follow our MISSING CHILD PROCEDURE.

Children checking out of the main program area will let their supervising teacher know where they are going to be. We count the children continuously.

MISSING CHILDREN

We know the whereabouts of all the children at all times. If one is missing the policy regarding a missing child is as follows:

1. The school office will be contacted.
2. The school and grounds will be searched for the child.
3. If the child is not located within minutes, the parents or guardians will be notified.
4. If the staff is reasonably sure that he/she is missing, the Program Leader will make arrangements for the search while the Director will notify the Executive Director immediately!!!
5. The staff will then call 911 with the pertinent information.
6. The Department of Human Services will be contacted if required.
7. After the proper notifications have been accomplished the director will return to the group and cooperate to the fullest with any of the authorities involved.

It is very important that we have full communication with the parent regarding attendance information. Please call in if your child is sick or will not be in our care on a normally scheduled day.

BEHAVIORAL GUIDANCE/DISCIPLINE

Behavioral guidance and discipline will be constructive and educational in nature. It will include such measures as diversion, separation from problem situations, talking with the child about the situation, and praise for appropriate behavior. Staff will handle all discipline. Parents are encouraged to communicate with staff any concerns they may have.

REMOVAL OF A CHILD FROM THE PROGRAM

Any child who needs constant behavioral guidance from the staff at the extended care program is subject to removal from the program. In the event that a child becomes a discipline problem, the parents will be notified and a plan will be developed between the staff, child and parents. If at any time a child becomes a danger to himself or to the other children, Imagination in Education will request that the family make other arrangements for the child. If after evaluation, it is determined that Imagination in Education cannot meet the needs of the child, where the child can develop his/her optimum potential, Imagination in Education will request the child be placed in an environment that would most benefit the

child. If behavior does not improve and if program safety can be maintained, the parents will be asked to make other arrangements for the child within one week.

ATTENDANCE AND ILLNESS

Parents must enroll for either the daily rate or weekly (five day) rate. Parents must give a 2 week written notice to change from a weekly attendance schedule to daily attendance schedule, which may only be done once per session.

In an event of illness, the parent will be notified immediately and the child will be isolated and made comfortable until the parent arrives. If the illness is contagious, the other children will be monitored and all the parents will be notified.

Parents are required to sign their child in and out. If the identity of the person picking up the child is not positively known by the teacher on duty, the authorized adult will be required to show proper identification. Children will only be allowed to leave the program with an authorized adult.

INJURIES

If a child is injured while at our program, the staff will treat the injury as needed adhering to Red Cross guidelines.

The responding staff member is responsible for writing up an accident report and notifying the director. After the parent signs the accident report we will keep it on file for future reference. A parent or emergency contact will be notified of any head injuries and any other accidents that need parental notification. EMS will be contacted as needed. All staff of Imagination in Education has permission to seek medical care for any child which is given by parent consent on the Enrollment Form.

IN CASE OF EMERGENCY

In the event of a natural disaster we will follow the steps below.

1. The Program Leaders will be responsible for accounting for each child.
2. The Program Director will be responsible for contacting the authorities.
3. All the children will be reassured.
4. As soon as the immediate danger is over, the parents will be contacted with instructions as to the location and well being of their children.
5. In case of emergency or unscheduled closure that requires transportation, all the children will be transported to the nearest Junior Academy location: Junior Academy, 1311 North Nevada, 632-7681, Junior Academy Small Wonders, 4750 El Camino Drive, 598-2095, or Imagination in Education at Talbott, 401 Dean and Fordham, 659-6819 or 659-6818.

IN CASE OF FIRE

The procedure for evacuating for a fire is different at every school. However, the evacuation procedures that are followed are posted at each site. The staff on duty will have an updated attendance sheet with them at all times to make sure that all of the children are present. The children or staff will not stop at any time to collect personal belongings. The director on duty is responsible for calling 911 and checking the program to make sure it is fully evacuated. If an evacuation of the school is necessary for the remainder of the day, the children in our program will be transported to one of our Junior Academy locations.

We are required to have a fire drill that is treated as if there was a real fire, once a month.

IN CASE OF TORNADO

The procedure for a tornado is different at each site. The evacuation procedure is posted on the Parent Board for each particular school.

We are required to have tornado drills during tornado season.

IN CASE OF BLIZZARD

In Colorado there are storms from time to time that hinder the parents from being able to pick up the children. Our policy at Junior Academy/Imagination in Education is to remain open until each and every child is picked up. In case of extreme storms we will call parents to pick up their children early. If the child's school has an early closure because of a snow storm we will be open for the children but ask that you pick them up as soon as possible so that our staff can get home safely. In the event of a exceptionally bad storm we may have to close some or all of our centers, this will be announced on Channels 5 and 11 or radio.

FIELD TRIPS

Special field trips will be planned for the children. Parents will be notified in advance of such trips. The program director will be aware of the location of all children at all times. Each staff member will be a primary caregiver for a group of children. These children will be accounted for by a name to face recognition at every transition. If it is necessary for a parent to pick up their child during a field trip, arrangements need to be made with the director. Junior Academy buses will be used for transportation. When on a field trip, the bus drivers have cell phones to contact home base in case of an emergency. Directors will have access to phones or cell phones for emergency use.

TRANSPORTATION SAFETY RULES

- The children and staff will remain seated at all times and all their extremities will remain in the vehicle at all times.
- Staff will actively supervise the children at all times.
- There will be a first aid kit in the vehicle at all times.
- The children/staff are not permitted to eat or drink on the bus.
- Whenever possible, the children will be unloaded next to a curb. Children will never be left unattended on the bus.
- All of our drivers have CDL licenses and DOT physicals.

AUTHORIZED PICK-UP

- All parents are required by state law to sign their child in and out every day.
- To be authorized to pick a child up from Imagination in Education that person MUST be on the child's pick-up list on the enrollment form.
- If for any reason, the staff does not recognize an authorized person who is picking up a child that person will be asked to show photo identification to approve the release of any child. This also includes all parents.

- If someone other than an authorized person will be picking up the child we will need a **VERBAL** notification in advance from an authorized parent. **Due to licensing restrictions written or text messaging cannot be accepted.**
- If the staff suspects that the designated person picking up the child is under the influence of drugs or alcohol, the child will not be released and an emergency contact will be called or other arrangements will be made. If the parent insists on taking the child proper authorities will be notified.
- Under no circumstance will a child be released to a non-authorized person.

LATE CHARGE

There will be a late charge of \$5.00 one minute after closing and \$1 for each minute thereafter, to be paid to the staff member on duty at that time. We cannot add this to your account. In the event that no one has picked the child up 15 minutes after closing, the staff person on duty will contact the parents, and then all emergency numbers. If no one has arrived by 7pm the Department of Human Services will be called and the child will be placed in their care. The staff person on duty will not leave the premises until the child has been picked up.

LATE ARRIVAL

If the children arrive late to their Center on a fieldtrip day a note will be posted on the Center's door giving the location of the group, the time they left and the time they are expected back. Parents can drop off their child at that location or they may also take their child/children to our nearest main center.

MEDICATION

Medication prescribed for an individual child shall be kept in the original container bearing the original pharmacy label which shows the prescription number, name of the medication, date filled, physician's name, child's name and direction for dosage. For ANY medication (prescribed or over the counter) a permission slip must be filled out by a doctor. Medication must be given to the Director to be stored in a lock box away from the children. If the child has an inhaler they may carry it themselves with written notification by the physician and parent. (This notification must be on file at the center and staff must be notified.)

SUNSCREEN

Imagination in Education provides sunscreen PABA free, SPF 25 or higher waterproof Sun Block Lotion from each child at the beginning of the summer to use on the children. The sunscreen is put into a "sunscreen pool" for community use. If you do not want your child to use other types of sunscreen please send a bottle labeled with his or her name. There is an additional charge at the beginning of summer.

PERSONAL BELONGINGS

We strongly recommend a backpack or other suitable bag to keep all personal belongings together. **PLEASE MARK ALL PERSONAL PROPERTY WITH YOUR CHILD'S NAME.**

When it is necessary for money to be brought to school, it should be placed in an envelope that is labeled with the child's name. Extra money should not be brought to school.

If a child has a significant amount of money with him/her, please advise them to leave it with a teacher.

We suggest that children do not bring a cell phone to Imagination in Education. If the child owns a cell phone it will need to be turned into the director during childcare hours. The child can receive or make calls from the phone under the direct supervision of a staff member.

There may be special events where children may bring electronic games however, gaming devices such as game boys, PSP, etc. are BANNED from all Junior Academy Children's Centers. If a child brings one of these devices to Imagination in Education it will be confiscated and held by the director until the parent can pick it up.

TELEVISION/VIDEO VIEWING/ SPECIAL ACTIVITIES

Movies will be shown twice a month as a special event. The children will also have an optional activity available. From time to time, special activities will be available also. Information about these activities will be available in the monthly newsletter. During these activities, the staff will be responsible for the supervision of the children. Our staff will be required to be actively involved with the children to make the viewing an interactive experience. All movies not rated G will be posted. We will only show G or PG rated movies. If you do not wish your child to view these movies or participate in any other activities, please let the director know in writing.

MEALS AND SNACKS

Kindergarten students attending the extended care program will have the option of purchasing a lunch ticket or bringing a sack lunch from home.

On days that the elementary school's cafeteria is not available, each child will be responsible for providing his/her own lunch. If Imagination In Education must provide a lunch for your child there will be a charge. (There may not be a microwave available for the children's use.)

A snack after school will be provided.

- At the time my child/children is/are enrolled I will submit the completed enrollment form, signed financial agreement, registration fee, 1st weeks payment and his/her shot records.

I agree to pay additional charges for late starts/early dismissals and day camp days. District 20 children receive five (5) days of vacation due to additional district closure days.

Conduct Policy

1. The purpose of our program is to provide supervised care before and after school, while offering a well-planned variety of activities to meet the needs of each child. Your child might choose to join in organized games, cooking, art, science, or independent free-choice activities such as reading, discovery centers, or outside playground time. We strive to provide a quiet area and a staff member for homework. We have a literacy program in which we read to the children or the children read to each other every day. Our program offers a safe and comfortable environment for the children because sometimes school-age children just want to take a break after a tough day of school.

Open communication between parents, teachers, and staff is the most important factor in meeting the needs of the individual child.

2. It is the policy of Imagination in Education to teach the children in our programs to be safe and respectful. All staff members are expected to model and enforce these two rules, as well as when applicable, the public school rules.

When a child breaks one of the stated rules, the staff members will take the following steps:

- A. Ask the child which rule he broke. Explain to the child the consequences that will occur if the action happens again.
 - B. Redirect the child in a positive manner. Phrases that tend to work are "make a better choice" or "make a different choice."
3. The following situations may require the involvement of the Program Director and the parents/guardians:
 - A. Insubordination
 - B. Abusive language
 - C. Dishonesty
 - D. Theft
 - E. Unauthorized leaving premises
 - F. Fighting

- G. Defacing school property
- H. Possession of alcohol, tobacco, weapons, or obscene materials
- I. Intimidation
- J. Habitually disruptive, violent, or unsafe conduct

Any child who needs constant behavioral guidance from the staff at the extended care program is subject to removal from the program. In the event that the child becomes a discipline problem, the parents will be notified and a plan will be developed between the staff, child, and parents. IF the behavior does not improve, the parents will be asked to make other arrangements within one week. (This is also stated in the Parent Handbook.)

4. It is the responsibility of Imagination in Education to provide a safe and healthy environment for each and every child in our program. Therefore any type of negative physical contact may result in immediate suspension. This decision will be based upon the director's discretion on a case by case basis.

We have read and will support the conduct policy of the Imagination in Education Extended Care Programs.

Dear Imagination In Education Parents:

As Colorado winter weather and the holiday season approaches we wanted to clarify our policies for the following situations:

1. **Early Release:** If the District calls an early release from school due to inclement weather or for any other reason, Imagination In Education will remain open for a 2 hour time period for you to pick up your child. We will never leave until the last child is accounted for, but we follow the District's policies and it is highly encouraged that you pick up your child within that time frame. As a safety reminder, if you have someone other than yourself picking up your child please let them know they may be asked to show proper identification.
2. **Two Hour Delay:** If District 20 calls a 2-Hour delay due to inclement weather or for any other reason, Imagination In Education will open 2 hours later than normal. Example, if the before school program that your child attends opens at 6:00 a.m. you will not be able to bring your child to the program until 8:00 a.m. and we will get them to their class. For an additional charge you may take your child to Small Wonders. They open at 5:45 a.m. and we will provide transportation to their school when it is safe.
3. **School Closure/Snow Day:** If **District 11** closes school due to weather, Imagination In Education will still offer care at Junior Academy, located at 1311 N. Nevada Ave. they will **open at 5:45 a.m.** and **close at 6:15 p.m.** If **District 20** closes we will offer care at Sunrise Church located at 2655 Briargate Blvd. They will be **open at 6:30 a.m.** and **close at 6:00 p.m.** Breakfast and lunch are NOT provided so please make sure you send your child with food, we will provide an afternoon snack. You can watch KKTV for the latest weather updates and follow us on Face book for current information.
4. **Day camps:** If the District has days they are closed (teacher in-service days, holidays, etc.) we do provide care at our school locations dependant on enrollment (Pioneer, Academy Endeavor, Stratton, Small Wonders, and Junior Academy), as well as Sunrise Church, but the church dates are only offered at certain times. Junior Academy Children's Centers

Family Owned and Operated - "Our family Cares about Your Family"

Junior Academy Children's Centers is a proud family run business since 1951. The fundamental key to our success has been striving to care for your children the way we would like our children to be cared for--try to strive for a good balance of quality and affordability. The Straeb family has never taken for granted the enormous privilege of caring for your most precious children.

We understand that childcare is an important personal and financial commitment, and want to emphasize that our goal is to do our best to meet your family's needs. Not only do we have excellent directors to care for our families, we invite parents with any questions or concerns to call and speak directly with our most senior staff.

Communication and valuing relationships is critical to our working with your family. That being said, we believe that circumstances have changed enough that we need to more clearly define our expectations to have a successful partnership.

We know that often there are challenging situations in our industry--conflicts about policies and finances, concerns about discipline and safety issues are probably the most significant. While we are not always perfect, we pride ourselves in making good faith efforts to meet everyone's needs in a safe and sustainable manner.

But we need a commitment back from our parents. We need all of you to understand that we can not have a functioning and safe relationship if any member of your family tries to bully, harass or threaten any of our employees or other children and families in our program. We have appropriate channels to handle concerns, which we will post at all of our locations. Any of these behaviors, or use of any foul or sexually explicit language may be cause for immediate termination of our working relationship with your family. Our staff deserve respectful communication, and our environment has many young ears that do not need to be subjected to vulgarities.

We reserve the right to end relationships with any family making inappropriate social media posts about our employees or our business as well. Junior Academy will always do our best to resolve any conflicts, but expect a level of respect and understanding in return.

Junior Academy Children's Centers

Family Owned and Operated - "Our family Cares about Your Family"

Dear Junior Academy Parents,

This letter is to outline our policies and expectations for your children's use of technology within our programs. Personal cell phones are completely forbidden from use in our programs. Parents are encouraged to utilize program phones as necessary to communicate with your children, and staff about all safety and logistical concerns. We understand that many children have smart watches, and if strictly being used as a watch in our program, they may wear them. Any child using texting, phone or other internet functions will be asked to put their watch away. Repeat offenders will no longer be allowed to wear this technology in our programs. We also recognize that some school programs are now using tablets for text books and to access other educational resources. Within the context of homework time the tablet will be accepted, but children may not use them for personal entertainment or social functions. Children who repeatedly abuse this policy will no longer be able to use them in our program for any purpose. We expect clear support from parents on these policies and reinforcing these expectations.

We do all of this for your child's safety. Children have used technology to inappropriately access disturbing images, explicit music, post videos and content on social media they should not, and contact people not associated with our program. We need to protect children from these unhealthy uses, and we are not equipped to supervise this usage one on one. We must recognize that what one family tolerates as far as popular culture and social media is not necessarily the same in another. Therefore, in our programs, technology will be used sparingly for educational purposes only.
