

JUNIOR ACADEMY CHILDREN'S CENTERS
IMAGINATION IN EDUCATION

ILLNESS POLICY

You will be notified if your child is ill. We will ask you to pick your child up if he or she :

1. Has a fever of over 100.9 degrees orally.
2. Has severe diarrhea-more than 2 abnormally loose stools.
3. Has severe coughing-child gets red or blue in the face or makes a high-pitched croup or whooping sound.
5. Has yellowish skin or eyes.
6. Has pink eyes with pus-like drainage.
7. Has a fever and unusual spots or rashes.
8. Vomits.
9. Has a fever and is unusually cranky, less active, or has a loss of appetite.
10. Has presence of lice or scabies.
11. Has an illness or functional problem that impacts child's ability to stay at childcare for health or safety reasons.

Children will not be allowed to return to the center until:

1. They no longer have a fever above 100.9 degrees for **24 hours without medical intervention.**
2. They no longer have diarrhea-type stools.
3. Treatment has begun for head lice or scabies.
4. All chicken pox are scabbed over.
5. Antibiotic treatment has been given for **24 hours** for strep throat.
6. After one week after onset of jaundice for hepatitis.
7. Eyes are no longer tearing, draining pus, swollen or red in the case of conjunctivitis. Children need to be on treatment for **24 hours.**
8. Child no longer has an illness or functional problem that impacts child's ability to stay at childcare for health and safety reasons.

We appreciate your cooperation. With everyone's cooperation, we will continue to have a healthy and happy childcare center.
